

LAUNCH INVITATION

Market Insights Report

Drivers for change: strengthening the role of valuation professionals in market transition

You are cordially invited to the launch of the RenoValue Market Insights Report. The report brings together the perspectives of over over 150 valuation professionals from across 7 European markets: Belgium, Germany, Italy, the Netherlands, Poland, Sweden and the UK. The research focuses mainly on assessing the current barriers faced by valuation professionals wanting to factor in energy efficiency and other sustainability related aspects.

The findings of the report will form the basis of training material for property valuation professionals on how to factor sustainability into real estate daily valuation practices.

The report will be presented by

Ursula Hartenberger, Global Head of Sustainability at RICS
Marcel de Boer, Managing Director at Troostwijk Real Estate

The Q&A debate will be moderated by Paul Wessels, MRICS, Founding Editor PropertyNL/EU

Provada, Amsterdam RAI, hall 11, booth 38, 2nd of June from 15.30 to 16.30

For more information and media enquiries please contact Luigi Petito
